FREQUENTLY ASKED QUESTIONS

Wifi is important to us- how plugged in are you?

We've got you covered. We've installed a top of the line, high speed internet connection to make the entire villa wifi friendly. Whether you have zoom meetings you need to attend or binge watch those Netflix shows - rest assured you will be 100 percent plugged in. The only thing that could cause a hiccup is an act of God, heavy rains or some area wide construction work.

Do you provide other meals?

Breakfast can be a part of your holiday package and be made available till Noon. If you want lunch and dinner services we can discuss those options which can be provided at an additional charge.

FREQUENTLY ASKED QUESTIONS

Is it noisy around the villa?

As a stand alone villa you can enjoy all the privacy and quietness you and your loved ones are looking for. No peeping toms watching you swim or playing loud music around you late into the night! It's your personal nirvana.

If a family member needs helps due to old age or injury - how accessible is it to them?

One of the main reasons we invested in this villa was because of its potential to be user friendly. We've installed ramps in the ground floor and lawn area to allow guests who need a wheelchair to be able to enjoy a major part of the experience. And yes we also have a wheelchair on standby if you don't have yours and need us to provide one for you.
