ABOUT THE VILLA

Luxurious 4BHK Villa With a Caretaker in Anjuna

The most privileged and pristine enclave on the Anjuna-Assagao road LT417 embodying the classic glamour and timeless chic of the French style interiors, tucked away among the coconut trees is your own private villa.

With a full staff on hand to attend to the details, your family or group of friends can enjoy total relaxation, spending hours in lounging by the pool, sunbathing in the gardens, taking afternoon naps in custom king beds.

It's not the things you take with you that define your journey. It's the experiences you have and the memories you bring home. A large fully equipped kitchen & dining area is separated from the main living space, creating a practical area for entertaining guests or catering for the whole family.
