# About Goa Villa

A stay at Villa LT556 is all about perfect sunsets on the expansive terrace surrounded by lush foliage, and lazy afternoons drifting in the gorgeous private pool complete with an inset jacuzzi. The villa is located amidst a quiet village in Anjuna and is the ideal location for a large family to stay together. The villa consists of five Spanish-style bedrooms and the house itself is arranged in several internally linked wings that extend from and around the central foyer and a staircase. The gorgeous balconies that surround the house have been designed to allow one to step out from their rooms and enjoy the breathtaking views that peek through veils of a bougainvillea in bloom. The living room is adorned with a stunning high ceiling with wood beams, creating an ambiance that is light and airy with doors that lead straight onto the patio and pool area. The living room is one of the best places to lounge around or entertain. The design of the house follows a predominately vintage style of architecture. The white stucco exterior of the villa results in an aged-looking old-world surface. This rustic yet modern Villa exudes impeccable class and style.
