## About Villa

LT440 (V9) is a show-stopping property in a gated community with exquisite facilities. Take the lounge room for instance - situated at the back of the villa in a cozy nook that meets the living room, the abundant view of the dense forests are alive with tropical birdsong and the earthy scent of nature. The bedrooms are generously spaced out and immensely private - perfect for a good night's rest away from the more lively areas of the villa. Each bedroom offers a distinct style though equally luxurious. They are ensuite with no compromise on space and high-quality fixtures. The living room is on the top floor, centered between the pool, dining area, and kitchen and is the ideal spot for casual coffee-fueled conversations or to spend the night watching a movie or two. Though the interiors are fascinating enough to indulge in, you'll be desperate to spend time outside by the pool. The balmy climate throughout the year compliments the glistening pool that's tempting enough to plunge into as you arrive. Flowering plants surround the life-size Buddha statue at the corner. The flexible layout renders the home an excellent choice for groups and families alike.
