

LTT801 - PHUKET
8 BEDROOM VILLA

ABOUT THE VILLA

LTT801 is a classic example of thoughtful and elegant modern architecture designed with the tropics in mind. For instance, most of the villa's 8 bedrooms and living spaces have ceiling-high folding glass doors that open onto private sea view balconies.

Every design and material detail in Villa looks to understate itself so the focus remains on the star of this incredible home – the dazzling daytime sea views and the alluring nightly sunset and fireworks over Thailand's most exclusive coastline and magical valley.

The villa's stark white exterior and interior walls are highlighted with dark wood fixtures and finishing and tastefully decorated with quality, modern furniture and contemporary art.

Technology also plays its part in all aspect of the villa from the Sonos music system, CCTV security system and fresh-water pool filter system, right through to the professional-quality equipment used in the villa's bathrooms, kitchens, pool, cinema and gym.
