Our villas all come equipped with modern day fittings and are air conditioned. Our favorite part of the villas is the spacious living room with plenty of natural lighting that overlooks a pool that wraps around one side of the villa and garden in the back, which lends the image a quaint and dreamy charm of its own. One bedroom with an ensuite bathroom is on the lower level and walks out to the pool and deck, there are 3 other spacious fully furnished with high end interiors bedrooms and bathrooms on the upper levels. All the bedrooms have a private bathroom with full shower and the master bathroom has a bath tub too, there is also an extra powder room for the guest.

The Villa has all the necessary linen required like soft bed linen, comforters, hand / shower / pool towels etc. which are available for your convenience as also there is an extra mattress if required. We change towels and linens every 2 days In case of electricity blackouts (not uncommon in Goa) we have a full back up which can manage lights & fan for the Villa well as Air-conditioners.
