5 BEDROOM VILLA

ABOUT THE VILLA

Time stands still at this large five-bedroom, holiday home located in Kasauli. An abundance of pine trees can be spotted through the windows, their scent rich in the air. An array of vibrant flowers line the driveway and front porch. Here, the natural surroundings are at once striking, and calming.

The sumptuous living room boasts a beautiful stone fireplace, large windows to help you appreciate the striking panoramic views while you lounge on large restful couches and window seats, and a pool table for you to play a quick rack with your friends.

Unwind by asking our committed in-house staff to set up a large bonfire on the spacious porch and watch the city lights twinkling on the distant hill, or ask for an outdoor breakfast on the massive patio out back. The children, and even some of the adults, will bicker relentlessly to see who wins the right to sleep in the villas charismatic attic, with its window looking out to the mountains beyond.
