3 BEDROOM VILLA

ABOUT THE VILLA

Our 130 years old Heritage Villa with 3 bedrooms is beautifully restored to its former Glory. From the visible wooden roof work to the beautifully bevelled and stained window panes, this high roofed villa gives you the feel of the rich Goan culture, yet is modern enough for you to be nestled in its luxury.

Our villa is tastefully designed, with an eye for detail, from the Spanish tiled bathrooms, to neatly crafted brass inlays in the bathroom. From the click of the light switch you will experience the uniqueness.

Pop out into the Upper Deck, have a drink and soak in the beautiful view of the Sunset and the green fields that Goa has to offer along with the serene sounds of waves crashing just a mile away.

With High speed Wifi and other modern-day amenities, the villa will keep you connected and entertained at all times.

The villa is just off the main Anjuna road leading to the beach, famous eateries and party places. You can drive down or experience the village areas on foot, walk on the sandy shores of Goa.
